ABSENCES FROM SCHOOL

Each absence from school must be reported to the Attendance Office by a parent/guardian, as required by state law. Notify us each day that your student is absent. Each absence from school must be reported to the Attendance Office by a parent/guardian within 72 hours, as required by California State law. All unverified absences are considered unexcused and will be marked as truanancies until we hear from a parent/guardian.

Excused absences are those due to an illness, a medical appointment, a court appearance, a death in the family or a religious holiday. All other reasons will be unexcused. Please understand that all absences are considered unexcused until we hear from a parent/guardian. We may ask for a doctor's note for an illness lasting 5 or more days.

Repeated unexcused absences for all or part of the school day, including absences from school without knowledge or consent of parents and/or unexcused tardiness, constitutes truancy under the State Education Code. Students who have numerous unexcused absences, tardies, or truanancies from school may be referred to the School Attendance Review Board (SARB) for official intervention.

ACADEMIC DISHONESTY

Acts of academic dishonesty, which will not be tolerated within the San Marcos Unified School District, are listed below:

- Cheating on tests or theft and alteration of materials including homework
- Fabrication (any intentional falsification or invention of date, citation, or other authority in an academic exercise)
- Unauthorized collaboration
- Plagiarism (stealing and passing off as one's own the words or ideas of another)

Consequences: Any student involved in academic dishonesty will be provided progressive discipline..

ACCOUNTABILITY REPORT

The District Office compiles this report at the end of each school year. The goal of the School Accountability Report Card (SARC) is to provide parents and the community with a variety of information about our school, its resources, its success and the areas in which improvements may be needed. The SARC is located on the school website.

ACTIVITIES GUIDELINES

Dress: Unless otherwise announced, the dress for activities is in accordance with the school dress guidelines.

Conduct: Consequences for inappropriate behavior at school activities, on or off campus, will be the same as during the regular school day.

Eligibility: In order to be eligible to attend some school activities, students may not have more than one "F" or one "U" on a progress report card. Students who have two "F's" or two "U's" will be placed on an "Ineligibility List" for the next activity and these students will

not be permitted to attend. Suspension from school automatically places a student on an ineligible list for that grading period.

Signing Up for Activities: In order to attend school activities, students must sign up in advance by turning in a parents and students signed permission slip, presenting a student I.D. and a fee, if appropriate, to the Front Office. Activities are for SEMS students ONLY. Students may not leave an activity before it's over unless a parent arrives for them. If a student is absent during sign-ups, he/she must call the Assistant Principals' office to make arrangements before the published deadline. Information and deadlines are published on the permission slips.

ARRIVING LATE TO SCHOOL

Students are expected to arrive promptly to every class- everyday. It is the expectation in middle school that all students be seated and ready to learn when the bell rings. When students arrive late to class, instruction is disrupted for all other students. Should your student arrive late to school for any reason, they must sign in at the Check-In/Check-Out Station located at the corner of San Elijo Road and Elfin Forest Road next to the library before going to class. Excused tardies are those due to an illness, a medical appointment, a court appearance, a death in the family, or a religious holiday. All other reasons including traffic will be unexcused. Please plan accordingly. If your student is late to school more than 30 minutes, the tardy must be verified in one of the following ways: By phone call or voicemail message from a parent/guardian; By email from a parent/guardian; By note from a parent/guardian or doctor; or by accompanying your student into the Check-In Station to sign in.

ASSOCIATED STUDENT BODY (ASB)

Each student is a student body member and is represented by a student from their second period class. Monthly meetings are scheduled for all representatives and the elected unit members. Activities are supported and run by the ASB representatives, along with the supervising teacher.

ATHLETICS

SMUSD and SEMS are excited to be providing a limited number of sports throughout the year. Take a moment to navigate on our **ATHLETICS PAGE** on our website for updated information and review of the handbook. Announcements and information will be available on our school website, phone message sent home and on SEMS-TV.

ATTENDANCE

To verify a student's absence, a parent or guardian must call the attendance voicemail line at 760-290-2830 or email attendance at semsattendance@smusd.org.

State law requires pupils to attend their assigned classes every day school is in session. Any student missing more than 10 days for any one class in a semester may not receive a passing grade for that class. All absences not cleared by a note, or parent phone call to the Attendance Office within 72 hours, will be considered truant and the student may be assigned a Wednesday School. The absence must be cleared for the truancy to be

removed. Parent requests for early dismissal or late arrival due to medical appointments and family emergencies will be permitted. The student must be signed out from the check in/check out by an adult listed on the student's emergency card prior to leaving campus.

Excused Absence/Tardy:

- | | |
|---|--|
| 1. Personal illness | 4. Funerals |
| 2. Serious illness or death in the immediate family | 5. Call to court/detained by law enforcement |
| 3. Medical and dental appointments | 6. Religion |

Consequences: Students with unexcused absences may be referred to an Assistant Principal for interventions and attendance make-up through Wednesday School. Excessive unexcused absences/truancies may result in referral to the School Attendance Review Board (SARB). If you need to speak directly with the Attendance Clerk, please call 760-290-2814.

BELL SCHEDULE

Students follow the same bell schedule on Monday, Tuesday, Thursday, and Friday. Every Wednesday is early release day. Our school schedule may include district-approved minimum days. Messages will be sent home regarding changing schedules.

BIKE AND SKATEBOARD AREA

Bicycles (electric and conventional), skateboards, scooters (electric and conventional), and skates are used by some students for transportation to and from school. Once the school grounds are reached by the student, bicycles, skateboards, scooters, and skates may not be used for transportation on campus at any time. Parking for transportation items is provided. Bikes should be locked in the bike racks. Skateboards and scooters must be locked in skateboard lockers. All bike riders, skateboarders, roller skaters and scooter riders must wear a helmet while in transport on these vehicles.

Consequences: Penalties may range from warning through suspension and a citation by the School Resource Officer. The transportation item may be confiscated and the parent will be notified to retrieve the item from school.

- All students are required to wear a helmet when riding a bike/scooter/skateboard to and from school.
- All bikes, scooters and skateboards must be walked on or off campus.
- Students riding bikes/scooters/skateboards should lock their item and leave the area immediately.
- DO NOT lock two items together. Each student must have his/her own lock.
- Students should NOT leave easily removable accessories on their item.
- Students tampering with the property of others will be referred for disciplinary action.
- Students use the bike area at their own risk.
- The school is not responsible for lost or stolen bikes/scooters/skateboards. While we will help retrieve them, law enforcement will not take a report on any item that was not locked.

BOYS & GIRLS CLUB AFTER SCHOOL PROGRAM

We are delighted to announce the San Elijo Middle School and the Boys & Girls Club of San Marcos partnership for this school year. This beneficial partnership will allow us to offer your student a “positive place” after school until 6:00 p.m., following the school year schedule, including early release days. The fee-based program will include an afternoon snack, sportstime, enrichment time, homework time and academic time – the balance that middle school students need to develop the whole child.

The Boys & Girls Club of San Marcos will oversee the program and has been instrumental in working with us to structure a sound program that provides a safe place for your students. Maria Barboza will be the Boys & Girls Club Site Supervisor and on campus every day to supervise the trained Youth Development Professionals who will work directly with your student. There will be a liaison between SEMS teachers assisting with academics.

- Registration information can be found on the Boys & Girls Club website; we have provided a link to that site <http://www.boysgirlsclubsm.org/> or you may access it from the SEMS website. Enrollment numbers will be limited!

BUSES – NO TRANSPORTATION provided home-to-school.

Buses are only provided during field trips. Transportation fee may apply.

CALIFORNIA JUNIOR SCHOLARSHIP FEDERATION (CJSF)

The **California Junior Scholarship Federation** (CJSF) is an Honor Society whose purpose is to foster high standards of scholarship, service, and citizenship in California students in grades seven and eight. (6th graders as well as first semester 7th graders have no official CJSF status.)

CJSF Membership is granted for the semester following the one in which the qualifying grades and citizenship marks were earned. A student **MUST** submit an application each semester s/he is eligible, during the two-week membership drive. LATE applications cannot be accepted.

Students who are members of CJSF for 3 semesters are recognized with an Award Certificate at 8th Grade Promotion.

CAMPUS PASS

Students must carry a pass by their teacher when leaving the classroom for any reason during class time. The school pass is distributed by a staff member for student use.

CHANGE OF ADDRESS WITHIN THE DISTRICT

Please notify the Counseling or the Attendance Office if your address or phone number changes. Your student's emergency contact information must be updated so all report cards and school correspondence arrive in a timely manner.

CHECK IN/OUT STATION

During school hours the Check in/out station is located next to the Library, off Elfin Forest Road. Campus Supervisors are there to assist with arrivals, early release, items and messages to students. **Call 760-290-2820 for assistance.**

CHECKING OUT OF SCHOOL

When moving out of the district, please do the following to ensure your student's smooth enrollment in his/her future school:

- All school issued items including but not limited to chromebooks, textbooks, chargers, novels must be returned prior to leaving school.
- Contact the Counseling Office to let them know your student's last day of school.
- Your student must go to Counseling before school on his/her last day and obtain a check out sheet for the required signatures. When steps are completed, the Registrar will supply your student with the necessary paperwork to enroll in the new school.

CITIZENSHIP GRADE CRITERIA

Citizenship grades are an evaluation of many factors brought together to measure a student's general behavior and effort in class. It is the culmination of a student's willingness and efforts to help or hinder the progress of class and /or other students. It includes but is not limited to such actions as being a self starter, advocating for oneself, openly or privately asking questions offering insight during lectures, openly or privately helping others to understand the concepts, using time wisely during class, being on task, being kind, having empathy for others, taking risks (privately or openly), being an active listener, being responsible and embracing learning. Citizenship grades are the balance of a student's efforts and behaviors. They are not the result of one day or one action. In addition, they are not an evaluation of the child as a person.

The San Marcos Unified School District faculty believes that we are supporting each child's development in becoming a thoughtful productive citizen who will inherit our global society. With that, we will be explicit and transparent in teaching and modeling for our students how to reach excellence in citizenship.

Citizenship is evaluated differently than academic progress. It involves a student's actions in upholding the school's responsibility and accountability standards, positive involvement in their learning and living communities, and attitude. Citizenship assesses student participation, leadership/cooperation, willingness to assist others and following school and classroom rules. These rules include but are not limited to just behavior, cell phone violations, excessive gum chewing issues, continually talking in class and/or dress code issues. Additional factors for consideration are:

Excellent: A student who earns an "E" helps others.

- Always actively listening and/or participating as necessary in classroom discussions/activities
- Providing leadership (exemplifying school motto) within the classroom activities and assisting others

- Ensuring that workspace is neat and tidy after use and assisting others
- Continually choosing to follow the rules and guidelines of the school/classroom

Good: A student who earns a “G” as a whole helps only himself or hers.

- Follows school/classroom rules and guidelines all of the time
- Actively participates in classroom discussions for their clarification most of the time.
- Keeps their workspace orderly most of the time.

Satisfactory: A student who earns an “S” as a whole neither helps nor hinders themselves or others.

- Participating in classroom discussions through listening and sharing information
- Occasionally offering to assist with set up and clean up of classroom activities
- Choosing to follow school/classroom rules and guidelines most of the time

Needs improvement: A student who earns an “N” as a whole hinders his or her own efforts.

- Infrequently listening or participating in classroom activities.
- Infrequently participating in cooperative learning activities such as group/team projects
- Choosing not to follow school/classroom rules and guidelines some of the time

Unsatisfactory: A student who earns a “U” hinders the efforts of others.

- Not listening or making inappropriate comments during class discussion and/or activities
- Being disruptive in class
- Bullying

CLEAN CAMPUS

Trash and garbage should be placed in trash cans provided, especially in the eating area. Students are asked to pick up after themselves and respect the campus by disposing of their trash. If students fail to maintain a respectful environment, they will be subjected to discipline in accordance with being defiant.

CLOSED CAMPUS POLICY

District board policy requires that San Elijo Middle School has a “closed campus.” This means once a student arrives at school, he/she is NOT allowed to leave campus at any time before school is dismissed without written permission from the office. Any student, who leaves campus before school starts or during the school day, will be considered truant from school and will be referred to the Assistant Principals’ Office for disciplinary action.

COMPUTER/INTERNET ETHICS

Only students who have turned in parent permission to use the internet will have access to the internet. All students must follow the classroom teacher’s directions regarding the internet and websites to use. Consequences: First offense may result in a suspension. Further offenses may result in the removal of internet access for the remainder of the semester and further investigation by school administration.

CONFLICT MEDIATION

Conflicts between people are a normal part of life in any community, and can be particularly stressful and disruptive to a student's education. Adult mediators have been trained to help those in conflict work out solutions that are positive for each student. In some cases, students may be required to go to mediation by administrators. Mediations at our school are highly successful. Training is scheduled for students to assist peers in conflict resolution.

COUNSELING SERVICES

If a student has a problem interfering with school, assistance is available. Counselors advise students regarding issues such as course selection as well as career and educational planning. Other staff members who can help include the Principal, Assistant Principals, Nurse, Librarian, Teachers, and the School Psychologists.

The Counseling Office is located in the Front Office. Students should see a counselor before school, during lunch or after school. In the event of an emergency, students may ask for a pass from a teacher.

Counselors: Celena Breining (A-F), Nick Vega (G-M) and Caroline O'Connor (N-Z)
School Psychologists: Tiffany Gerondale and Oralia de la Garza

COURSES

Please see Course Catalog on SEMS Website under Departments, Counseling.

DELIVERY OF STUDENT ITEMS

In an effort to minimize unnecessary interruptions to classroom instruction, we ask students to be responsible for items they need to have at school. We request that parents refrain from bringing forgotten items to school and ask that requests for message delivery to students throughout the day be limited to emergencies only.

The Campus Check-In Station is located next to the Library for items on their own. WE WILL NOT ALLOW THE OFFICE TO INTERRUPT CLASS TO REMIND STUDENTS OF FORGOTTEN ITEMS. Please let your student know to check the Campus Check-In Station in case you have brought a forgotten item. Student names will be written on a whiteboard to remind students to pick up items at lunch.

DISCIPLINE - STUDENT CONSEQUENCES FOR VIOLATING RULES

Find the SMUSD BEHAVIOR CODE at the end of this handbook

When students fail to act responsibly and school rules are violated, consequences will occur. The following is a list of consequences in order of severity. The consequence assigned will depend upon the severity of the offense and/or the frequency with which a student breaks school rules.

Detention

A student may be held in a detention room or classroom before school, during lunch or after school. A student receives detention for choosing to violate school rules.

In-school suspension (ISS)

This consequence can be used in place of a one day suspension at home or for less severe infractions than an out of school suspension requires. Students are removed from regular classes and receive regularly scheduled assignments. If a behavior problem occurs in school suspension, a home suspension may result.

Suspension/Expulsion

Suspension or Expulsion will be imposed only when other means of correction fail to bring about proper conduct. However, any student, including students with exceptional needs may be suspended—and possibly expelled—for any of the reasons specified in California Education Code sections 48900 and 48915(a), or if the school determines that the student's presence causes a danger to persons or property or threatens to disrupt the instructional process. A suspension removes a student from campus from one to five days, after which time the student may return. Expulsion, by contrast, is a formal process that entails suspension and a hearing at the District Office to determine if a student will be dismissed from their current educational setting. Students who have been expelled by the Governing Board may not attend any school or program operated by the San Marcos Unified School District until the Governing Board acts to lift the Expulsion. The duration of an Expulsion is the rest of the current semester and the following semester.

Suspensions

When a student is suspended from school, he/she has violated CA Education Code 48900. The following infraction descriptions are how the suspensions are decided. All cases recommended for expulsion will be investigated and determined on specific facts.

Expulsion

The following are violations of California State Education Codes or state laws and are considered extremely serious. Consequences for these behaviors may include suspension or recommendation for expulsion:

- Caused, attempted to cause, or threatened to cause physical injury to another person.
- Threats are defined as stares, hard looks, verbal harassment, physically confronting stances, or any action that can lead to physical injury.
- Throwing food or other debris on campus is dangerous and illegal.
- Possessed, used, sold, or otherwise furnished any controlled substance, alcoholic beverage or intoxicant of any kind. This includes "look alike" drugs.
- Committed robbery or extortion.
- Caused or attempted to cause damage to school or other private property. This includes fires, attempting to set fires, or tampering with fire alarms or equipment.
- Stole or attempted to steal school or private property.
- Engaged in habitual profanity or obscenity.
- Possessed or attempted to sell drugs or drug paraphernalia.
- Possessed or used tobacco.
- Disrupted school activities or otherwise willfully defied the valid authority of school adults such as: supervisors, teachers, administrators, school officials, or other school personnel engaged in the performance of their duties.

- Knowingly received stolen school or private property.
- Excessive suspensions from school.
- Second possession of an illegal substance as defined above.

Daily/Weekly Performance Agreements

Any student who fails to comply with school and classroom expectations, after teacher and administrative interventions, may be placed on a Daily/Weekly Performance Agreement. Criteria for placing students on performance agreements will be based upon the significance of the violations and/or the number of violations. Any student receiving multiple referrals in a given year may be placed on a performance agreement. Violation of the agreement may result in other consequences.

DISRUPTIVE BEHAVIOR

Students who demonstrate inappropriate school behavior may receive disciplinary actions which may include Detention, Wednesday School, In School Suspension, or out of school suspension.

San Elijo Middle School implements the behavior referral system. When a student disrupts class, or has violated class rules after all other means of correction have been exhausted, the teacher will write a referral that will be sent to the Assistant Principal's office for further action. A parent will be contacted by the teacher or an administrator.

DISTRIBUTION OF PUBLICATIONS

No publication may be distributed on the school campus without the prior approval of the school administration. This includes school magazines, school newspapers, and fliers.

DRESS GUIDELINES

The SMUSD schools are environments for learning. School attire should reflect a professional and respectful attitude towards learning. Administration has final discretion in determining whether an item of clothing is distracting or inappropriate.

1. Clothing, jewelry, and personal items shall be free of writing, pictures, or any other insignia which is vulgar, lewd, obscene, profane, or sexually suggestive or which promotes the use of alcohol, drugs, tobacco, or other illegal activity.
2. Appropriate shoes must be worn at all times.
3. Hats, caps, and other head coverings shall not be worn indoors unless permitted for religious, cultural, medical, or other reason by school administrator.
4. Undergarments may not be worn as outer garments. See-through clothing is prohibited.
5. Clothing may not state, imply, or depict hate speech/imagery targeting groups based on race, ethnicity, gender, sexual orientation, gender identity, religious affiliation, or any other protected classification

When violation of the dress guidelines occurs, the student will be required to correct this by receiving clothes brought from home or acquiring loaner P.E. clothing provided by the A.P. office. Continued violation of the dress guidelines will be considered defiance and will be referred to the Assistant Principal.

8th GRADE PARTY

The entire 8th grade class will be invited to participate in an activity to take place in June. The theme, events and activities will be designed by the Associated Student Body. Students must be eligible to go through promotion in order to attend the event.

ELECTRONIC DEVICES (Phones, airpods, etc.)

All electronic devices must be turned off/silent during instructional time unless specific permission is granted by administration or the classroom teacher. **Students may use their phones/electronic devices before school and after school.** While students are allowed to possess cell phones on campus, **students may not record, video, or take a picture of another student or staff without prior consent.** If students are viewing inappropriate content on their electronic devices, the phone will be confiscated for parent pick up. Airpods, headphones, earbuds must be put away and not visible during school hours unless used for instructional purposes. There is a student phone available in the Assistant Principals' office. Please contact an administrator or contact the Assistant Principals' Office with any questions.

Consequences: Items may be retained in the Assistant Principals' office for pickup at the end of the student's school day. At teacher or administrator request, a parent/guardian may be required to pick up the student's electronic device. If these devices interfere with the educational process, the student may receive a referral and the device will be taken to the office. Students must understand they will not be given permission to leave class to answer a phone call. The school will not be responsible for loss or theft of electronic devices.

Responsibilities

- Devices may be used during non-instructional time (before school, passing periods, lunch and after school).
- No recording of staff or students without their consent.
- Classroom teachers have the final say on device usage during instructional time.
- It is the student's responsibility to be sure that the phones are off/on silent during class time.
- All device usage during school hours must be school appropriate.
- All student devices must be on the school network.

Network

All students are required to be on the school network so the district firewalls can filter inappropriate sites (i.e., FaceBook, Instagram, YouTube, Snapchat, etc.)

Digital Citizenship

- Students must have a passcode on their phones.
- THINK before you SEND.
- Cell phone bullying is just as serious as verbal and written bullying.

Device Rules Discipline for inappropriate usage will follow SEMS progressive discipline policies. The teachers and administrators will be fair, firm and consistent and consequences will be based on severity and level of disruption to school activities.

Responsibility

- STUDENTS are responsible for their own devices. PLEASE be responsible and know where your device is at all times.
- If teachers do not allow cell phone usage during class time, students must put their device away in their backpacks.
- Students are not ALLOWED to take their electronic devices to the bathroom

EMERGENCY CONTACTS

It is imperative that all information (phone numbers, medical phone numbers, etc.) be current in case of an emergency. **If your numbers change, please contact Counseling and/or Attendance immediately.** They will ensure that all emergency information is updated.

EXCESSIVE DISPLAYS OF AFFECTION

Excessive displays of affection are inappropriate on school grounds or at school sponsored activities. Public displays of affection are limited to hand holding on all middle school campuses. **Consequences:** Penalties may range from warning, parent notification and ALC.

FIELD TRIPS

There are two general types of field trips at our school. Teachers organize field trips supporting curriculum, and clubs organize field trips for members. In both cases, school rules apply at all times. Advisors or teachers sponsoring the trip determine criteria by which students will be allowed to participate. Criterion usually involves behavior and academic progress in the case of class trips, and participation or membership in the case of club trips. Questions regarding students not allowed to attend should be directed to the trip sponsors. The cost of the trip is paid by students and covers both admission fees and transportation. Signed parent permission is required anytime a student leaves campus during the school day, or participates in an off-campus activity outside the school day.

FOOD SERVICES

California's Universal Meals Program (Universal Meals) is designed to build on the foundations of the federal National School Lunch Program (NSLP) and School Breakfast Program (SBP). As a result of the program hot and cold breakfasts and lunches are available from the San Elijo Middle School Cafeteria free of charge for this school year.

Prices for snacks and additional items are posted outside the cafeteria/kiosks and on the school website.

There are two lunch periods during the school day. Lunch tables are the designated eating areas. Students may not take food to any other part of the campus. There are adult supervisors on campus whose job is to help make the lunch area a pleasant place to be and to protect the rights of all students. Students are expected to pick up after themselves in the lunch area.

Students who play with athletic equipment may go to the courts/upper fields during their lunch period; however, they may not interfere with PE classes in session. The accessible play areas will vary depending on changing PE activities. Students must stay away from classrooms and may not be loud or inconsiderate of classes in session during their lunch period.

Cafeteria issues, including questions and purchasing of food cards, can now be completed online at www.smusd.org under the Child Nutrition Services department page. The SMUSD School Wellness Policy is in effect at all times; therefore, candy, gum, cakes, cookies, donuts or soda are NOT allowed on campus. Please visit the website at <http://www.smusd.org/Page/137> for all the information.

GUM/CANDY/SUNFLOWER SEEDS

Due to problems of littering, trash and class disruptions, gum, candy and sunflower seeds are not permitted on school grounds and school activities. Consequences will be issued if students possess these items while on campus.

HOMEWORK

Homework is an important part of an instruction program. Teachers will assign work requiring an average of 20-30 minutes per night in each of approximately four subjects. These assignments may consist of completing work assigned to do in class, or it may consist of separate assignments to be completed entirely at home. Students are to keep track of their homework assignments. Teachers will check the homework weekly. Ask to see your student's assignment list. Check to see work is completed.

- Students absent for three **days or less:** see GOOGLE classroom or email your teacher directly.
- All students should rely on the GOOGLE classroom for posting of daily assignments.

HOMEWORK TIME

Homework Time meets in the SEMS Library on Mondays, Tuesdays, Wednesdays, and Thursdays, for one hour after school. HW time is closed on Fridays. Staff supervision is provided; however, there is no teacher assistance. Seating is limited.

IDENTIFICATION CARD

Students received their identification card the first week of school. Makeup Pictures are set for September 8th and students who did not attend Welcome Days, will receive their

identification card after they take their photos. I.D. cards are required for all students and must be shown before being admitted to school activities. **I.D. cards are needed for students to check out school issued items and show staff when requesting to verify I.D.** They also allow students to receive discount prices to high school games and are used to check out athletic equipment during lunch time. If the ID card is lost, students may purchase an ID card in the front admin office for \$5.00. Students will take receipts to the AP office and the AP clerk will place an order to replace the ID card which will be delivered within 5-7 days.

LEAVE AT HOME ITEMS

Some items are not appropriate at school at any time because they tend to get lost or stolen and are disruptive to the educational program. Students who bring inappropriate items to school may be subject to disciplinary action and/or confiscation of the item. San Elijo Middle School is not responsible for any lost or stolen items.

These items include:

- Portable speakers
- Handheld video games, electronic games
- Laser Pointers – Lasers are illegal and students will be suspended
- Toys or individual athletic equipment
- Large amounts of money or valuable items such as jewelry
- Any item that may cause injury to others such as pocket knives, firecrackers, poppers
- Re-closable or glass containers
- Any items that are inappropriate or disruptive to school activities such as eggs, shaving cream, squirt guns, toys, balloons or other items in poor taste

LEAVING CAMPUS EARLY

Parents are required to come to the Check-In Station to meet and sign out their student. Students will only be released to those persons that parent/guardian have listed on the student's emergency contact list. Photo identification is required when signing out a student. Please arrive early if you need to pick up a student. Students will not be called out of the classroom until a parent or guardian is in the office. The Check-In/Check-Out Station is located under the Main Entrance archway on the corner of San Elijo Road and Elfin Forest Road. There are two 10-minute parking spaces in front of the office. Check-In/Check-Out Station Hours:

8:00-2:15 p.m. (Mondays, Tuesdays, Thursdays and Fridays, 8:00-1:15 p.m. (Wednesdays)

LIBRARY SERVICES

Library Hours: 7:30 AM – 2:45 PM (subject to change, will be posted)

Chromebook/Textbook Policy

Chromebooks, chargers, textbooks and other instructional items essential for daily instruction are free of charge, and are loaned to students by San Marcos Unified School. These items are often expensive. Students are responsible for these items and are expected to keep them in good shape.

- Papers should not be carried in the books as this may cause the bindings to break.

- Students who lose or destroy their instructional items loaned by SMUSD will be responsible for the cost of repair or replacement. Students may receive a full refund if they find their instructional items and return it in good condition within the school year that the loss occurs.
- Students are required to write their name clearly in ink on the inside cover of each textbook.
- Book covers with adhesive backing may not be used on textbooks.
- Damaged books will be assessed according to the following conditions:
 - Loose binding, torn pages, writing or soil - \$3.00
 - If the book is not repairable, the cost of the book will be fined on the students account.
- Each student will receive a chromebook and power adapter and it is their responsibility to maintain both in working order.
 - Stickers should not be placed on either items
- Any damage to the chromebook or power adapter should be reported to the library as soon as possible and it is the responsibility of the parent to pay the cost of repair/replacement.

Library Policy

San Elijo Middle School is dedicated to meeting the library/media needs of its students, faculty and parents.

- Students may check out 2 books at a time.
- If additional books are needed for research, special arrangements can be made by seeing the librarian.
- Books can be checked out for 4 weeks.
- Students who have overdue books will be placed on “library restriction” and forbidden to check out additional materials. Students may also be blocked from making any purchases including: yearbook, PE clothes, and field trips.
- If a library book is lost or damaged, the borrower must pay for it.

The Library catalog and other library features and updates, are accessible through the school's Website, www.sanelijomiddle.org.

MEDICATION POLICY

Medication must be in the original prescription container and clearly marked. Students requiring medication distribution at school must adhere to the following:

- Name of pupil.
- Name of prescribing physician.
- Identification number and name of the medication.
- Pharmacy which dispensed the medication.
- Amount of the medication to be taken at specified times and/or the specific situation in which it is to be taken.
- Signed parent/guardian “Authorization for Medication” must be filled out. This form is obtained from the Health Office.
- Each school year the request form must be renewed.

- Medication will not be retained at school from year to year.
- All over-the-counter medication will require a doctor's authorization.

MEDICAL RELEASE FROM P.E. POLICY

In order for a child to be released from participating in Physical Education class, the nurse and/or health aide must receive a prescription from the child's doctor indicating the reason a student is to be released and for what duration.

NON-CUSTODIAL PARENTS RIGHTS

The non-custodial parents have the right to receive report cards, progress reports and other school correspondence. Please contact the school registrar and let her know if the non-custodial parent seeks this information and supply the name and address of the non-custodial parent. (This applies to parents with joint custody, as well).

NON-SCHOOL DAYS & HOLIDAYS – SEE SCHOOL CALENDAR

NURSE

The nurse is responsible for the supervision and training of the Health Office, which is available to students, parents, and staff for consultation and management of individual students' health issues. The school nurse annually performs the following state-mandated health screenings:

- Vision 8th grade girls & boys
- Hearing 8th grade girls & boys
- Scoliosis 7th grade girls & 8th grade boys

The Health Office is staffed by a full-time health aide, 7:30 am-3:30 pm. Health Aides provide assistance to students who are ill or injured, dispense medications to students as ordered, and enforce immunization requirements. In case of illness, parent(s) will be contacted to pick up the student, or the student will return to class after a short rest. We have limited facilities for holding ill students in the office. In case of extreme emergencies, 911 may be called. **It is imperative parents fill out a new Student Emergency Card annually, and call the school to update when information changes.** Your student's safety is at risk when emergency medical information is not updated. See MEDICATION POLICY for information regarding students taking medication at school. See MEDICAL RELEASE FROM P.E. if your student requires medical release from P.E. for any period of time.

OUT OF BOUNDS

Students are expected to remain in areas where adequate supervision is provided by administrators, teachers, teachers' aides or campus supervisors. This means that designated areas of the campus are closed to students during assemblies, breaks, lunch and extra-curricular activities. Out-of-Bounds areas include, but are not limited to, parking lots, bike racks, athletic fields, private property and areas surrounding the campus. Boundary lines are clearly marked and labeled. All students are to remain on campus during the school day unless special permission has been granted by the

Administration. **Consequences:** Students returning from an out-of-bounds area are subject to search. Penalties will range from Wednesday School to suspension.

PARENT TEACHER ORGANIZATION (PTO)

The PTO is an active group of parents who support the school, students, family, and community. The main purpose is to generate additional monies to provide after school activities and supplies for students.

As a parent, you can assist by supporting fundraisers, which includes our magazine sale, and donations. You can also help by becoming an active volunteer in the classroom, a test proctor, and helping with fundraisers. You may contact the PTO using contact on our school website or call the office at 290-2821.

PARENT CONFERENCES/INDIVIDUAL TEACHER CONTACTS

There is no Parent Conference Day. Parents are encouraged to email teachers with any concerns.

PARKING LOT PROCEDURES FOR DROPPING OFF STUDENTS

Parents enter the school via the upper end of Schoolhouse Way into the upper entrance of the parking lot and leave through the lower exit on Schoolhouse Way turning left and proceeding back up the road toward the elementary school. All students are to be dropped off/picked up in the designated student pick up area, in front of the benches. If your student is not present when you reach the pick up area you will be expected to pull up to the front as far as possible to allow others to continue the process.

Cooperation by all parents to follow these procedures during the afternoon pick up time from 2:20 PM-2:40 PM will ensure traffic keeps moving and makes this a safe and efficient process for all involved. Students are not to be picked up in other areas of the parking lot. STUDENTS SHOULD NEVER WALK THROUGH THE PARKING LOT, unless accompanied by an adult. The area of Schoolhouse Way that includes the bus parking will be closed daily from 2:00 PM-2:40 PM or until it is deemed safe to allow traffic through once students and buses have been dismissed.

Parents are not encouraged to park on Elfin Forest Road, and must obey all traffic laws, including those prohibiting double-parking. Parents not following mandated traffic laws are responsible for any accident/ticket they receive.

Parking on San Elijo Road is limited, and parents are encouraged to continue to Schoolhouse Way, and follow the Drop-off/Pick-up Procedure described above. **Parents are responsible for all traffic laws at all times.**

PHYSICAL EDUCATION DEPARTMENT

This information is intended to familiarize parents with our Physical Education Program for the school year.

Uniform: Dressing out for class daily is required for successful participation in PE. The proper PE uniform includes a **grey** polyester or cotton T-shirt, **black** shorts (no

pockets), white socks, and lace-up tennis shoes. Boys should have an athletic supporter. Warm-ups or sweats may be worn over PE shorts and shirts when weather indicates a need. All PE clothing should be clearly marked with the student's LAST NAME. While students may bring their own PE uniform from home, the PE Department sells PE shirts and shorts, imprinted with the SEMS logo, for \$20.00 (\$10 each) **These items are available for purchase during the Welcome Days before school starts and on the school [webstore](#).**

Lockers: Each student will be assigned a locker. COMBINATION LOCKS will be provided. **NO personal locks will be accepted.** Locker combinations should be kept confidential; however, they will be recorded in the PE office. If a student loses their lock, a replacement fee of \$8.00 will be charged. Students should lock up all valuables during P.E. and not share locker combinations with other students.

Grades: Grades in P.E. are based on a point system. Points are earned for attendance, dressing out, and participation. Additional points are earned by demonstrating proficiency in various fitness, competition, and skill areas.

PICTURE DAY

Each year students have pictures taken for the school yearbook and student I.D. cards. The Yearbook/ID card pictures will be taken at the beginning of the school year on Welcome Days. Make up pictures will be in September. Information regarding pictures will be displayed on the website before pictures are taken and purchasing information will be emailed shortly after. Please ensure you have an accurate email on synergy/ParentVue.

PROMOTION CEREMONY

This Promotion Ceremony allows teachers to recognize 8th grade students for their achievements, hard work, and effort. Promotion lasts approximately an hour on the upper field and two tickets are given to each family to attend. The ceremony is also live streamed. Clothing for promotion should be in accordance with dress guidelines. There will be board policy shared with families during each semester explicitly outlining behaviors that will result in non participation in the promotion ceremony.

REPORT CARDS AND PROGRESS REPORTS

Report cards are issued two times a year. Each grading period is called a semester, and is approximately 16 weeks long. Grades on semester report cards become part of the student's permanent record.

Twice each semester, a progress report is issued. The purpose of the progress report is to communicate student progress to students and parents. Grades on progress reports are not recorded on the student's permanent record.

Two types of grades are included on all progress reports and report cards:

- **Academic progress** is graded A, B, C, D or F.
- **Citizenship** is classroom behavior and effort and is graded E (excellent), G (good), S (satisfactory), N (needs improvement), and U (unsatisfactory).

REQUEST FOR HOMEWORK - See HOMEWORK

RETURNED CHECK POLICY - A \$20 fee will be added to all returned checks.

SCHEDULE CHANGE POLICY

As the year progresses, situations sometimes develop in which a student, parent, or teacher feels a schedule change is appropriate. Schedule changes are inherently disruptive to students, teachers, and others involved and will only be considered after a variety of other options have been explored. Counselors are available to help students, parents, and teachers work through conflicts.

SCHOOL SITE COUNCIL

The SSC consists of students, teachers, parents, and administrators and meets quarterly to set annual school goals, approve the Single Plan for Student Achievement and Comprehensive School Safety Plan. This committee recommends how finances are spent to support the school's goals. Any member of the SEMS learning community may be eligible to participate through a voting process that will be sent by the principal.

SCHOOL SUPPLIES

All of the basic classroom supplies that each student needs (pencils, crayons, paper, etc) will be provided by the school. However, if you would like to purchase additional items, your teachers may make individual suggestions for their classes.

SEARCHES AND SEIZURES

The law provides school officials with wide latitude to search students, and their possessions in the ongoing effort to maintain a safe and secure campus. Some of this effort may involve the use of surveillance cameras in public areas of the campus that are considered to be high risk for improper activity. Professionally trained detection dogs are also used for random searches in classrooms, parking lots/vehicles. **In addition, items left unsecured or unattended on school grounds may be confiscated and inspected by school officials. To decrease theft and vandalism in the P.E. locker rooms, any items left in unlocked gym lockers or baskets during and after P.E. class may be confiscated and inspected by school personnel.** School officials are not required to notify parents prior to conducting a search or questioning a student, however, parents will be notified that a search has taken place.

When a school official has reasonable suspicion that a student may be in possession of contraband or dangerous objects, the student will be asked to empty all pockets, remove shoes, and provide official access to other personal items (backpacks, lockers) that may contain contraband or dangerous objects. Reasonable suspicion may also warrant school officials' use of a metal detector to identify concealed weapons or a breathalyzer to determine if a student is under the influence of alcohol. It is hoped that all students will be cooperative, as school officials will make every attempt to be unobtrusive and respectful of privacy. Students should be aware that grounds for suspicion commonly include being out of bounds without permission or a report by another student, parent or staff member of possession of contraband or dangerous objects or unusual behavior.

Students should also be aware that any contraband or dangerous objects found in their possession would be assumed to belong to them. **If a student should discover contraband or dangerous objects on campus, he/she should go directly to an assistant principal or other staff member and turn it over without delay** (Ed. Code 48900).

SELLING AT SCHOOL

Students may not sell anything at school. This includes fundraising items. Doing so is a violation of state law and items sold on school grounds will result in parent pick up and follow up consequences.

SPECIAL EDUCATION

San Elijo Middle School offers a continuum of services to assist students with special needs. The resource program provides a collaborative teaching model supporting students in general education classrooms. Pullout programs are provided to ensure that special education student needs are met. Speech and Language services and Adaptive PE is provided for students who qualify.

SPORTS - See ATHLETICS

STUDENT AIDES

Eighth grade students can choose Student Aide for teachers or the office as their Elective class for one year.

STUDENT ASSISTANCE FOR EVERYONE (SAFE)

Trained teachers and student services personnel lead support groups which provide a safe, supportive environment for kids to talk about issues in their lives. The SAFE team also provides substance abuse prevention, parenting education, and is trained to respond to crisis situations. Referrals to the SAFE Team may be made through the Counseling Office.

SUSPENSION – See DISCIPLINE TARDINESS

Students are expected to arrive on time to every class – every day. We expect that all students will be seated and ready to learn when the bell rings. When students arrive late to class, instruction is disrupted for all other students. Should your student arrive late to school for any reason, s/he must sign in at the Check-In/Check-Out Station located next to the Library. If your student arrives late to school without a verified valid excuse, the following consequences will be enforced:

- 1-3 Unexcused Tardies in a week= Pass to class. On the 3rd within the week, parents will be notified/lunch detention
- 4-6 Unexcused Tardies in consecutive weeks= Parent call and Wednesday School 1 hour
- 7-9 Unexcused Tardies in consecutive weeks = Parent meeting /Wednesday School 2 hours (AP Office)

- 9+ Unexcused Tardies = Parent meeting with Assistant Principal/Wednesday School 2 hours and referral to SART program.

San Elijo Middle School's tardy policy for students with unexcused tardies to school or between classes is as follows:

When your student is more than 30 minutes late, we must hear from you, the parent/guardian. You may notify us in any one of the following ways:

- By phone call or voicemail message
- By email
- By parent or doctor note
- By accompanying your student to sign in

When contacting us, please provide:

- Name of student (with spelling of the last name)
- Date and approximate time of arrival
- Specific reason for tardy
- Name of person calling and relationship to student

If more tardies continue to occur, the student's Assistant Principal will intervene and further consequences may be issued.

PHONE USE BY STUDENTS

Students may make emergency phone calls from the Assistant Principals' office student phone during the day. Calls must be made during the student's own time and late passes to class will not be issued. Leaving homework, books, money, or other items, or making arrangements to go to a friend's house after school is **not an emergency**. If after-school programs cancel or make last-minute changes in schedules, students will be allowed to phone home. Students with cell phones are reminded that they may only make and receive calls before school, during passing period, lunch and after school. **There is a landline for student use in the Assistant Principals' office.**

Responsibilities

- Devices may be used during non-instructional time (before school, passing periods, lunch and after school).
- No recording of staff or students without consent.
- Classroom teachers have the final say on device usage during instructional time.
- It is the student's responsibility to be sure that phones are off/on silent during class time.
- All device usage during school hours must be school appropriate.
- All student devices must be on the school network.

Network: All students are required to be on the school network so the district firewalls can filter inappropriate sites (i.e., FaceBook, Instagram, YouTube, etc.)

Digital Citizenship

- Students must have a passcode on their phones.
- THINK before you SEND.
- Cell phone bullying is just as serious as verbal and written bullying.

Device Rules Discipline for inappropriate usage will follow SEMS progressive discipline policies. The teachers and administrators will be fair, firm and consistent and consequences will be based on severity and level of disruption to school activities.

Responsibility

- STUDENTS are responsible for their own devices. PLEASE be responsible and know where your device is at all times.
- If teachers do not allow cell phone usage during class time, students must put their device away in their backpacks.
- DO NOT leave cell phones in bathrooms, classrooms or lunch tables.

Please contact an administrator or contact the Assistant Principals' Office with any questions.

TEXTBOOKS

Textbooks are issued for each class at no cost. **Students must put their name in the book in ink.** Students are responsible for their books. Remember: If you move, all textbooks must be returned before records can be sent to your new school. When students return books, they should be in the same condition as when issued. Students will only receive credit for the book number they were originally issued. If books are damaged or lost, students will be expected to pay replacement cost. Textbook replacement cost information is available in the library.

TARDIES

Students must be in their assigned seats when the bell rings or they will be marked tardy. The 1st and 2nd tardies will result in a warning from the teacher, and will be recorded. Three or more offenses during a semester will result in detention assigned for each offense. Excessive tardiness is referred to the Assistant Principals.

TRUANCY

Every student is expected to attend school daily and be on time for class. If a student is absent from class without a valid excuse or leaves class without the teacher's permission, he/she is considered truant. Truancy: Students who are truant (more than 35 minutes late to school, or 'ditching' part or the whole of a period) are assigned Wednesday School. This also applies in many instances of unexcused absences.

Consequences: Parents are notified of the truancy and Administration will decide a consequence. Habitual truancy will result in a suspension from school and a referral to the School Attendance Review Board (SARB). The SARB process is controlled by the juvenile court system and may result in a court appearance, fine and/or a weekend in a juvenile detention facility.

VISITORS TO THE SCHOOL AND/OR CLASSROOM

Only adults are allowed to visit the school. They must first sign in at the Campus Check-In Station and wear a visitor's badge. A 24-hour notice by the parent is required for parents 'shadowing' their student, and/or observing a classroom. Parents, administration, and teachers will work together to ensure parents are granted access, but the number of visits does not interfere with the classroom learning environment.

YEARBOOK

Each year San Elijo Middle School celebrates students and accomplishments in our award-winning yearbook. Students can purchase yearbooks for \$55 until Dec 31 or \$65 beginning Jan 1. Checks should be made payable to San Elijo Middle School. Please check our web store for all the details and information (www.sanelijomiddle.org)

Yearbooks sell out each year, so purchase yours early!!!

San Marcos Unified School District Middle School Behavior Code

A behavior code is provided because the students, the parents, and the staff expect and demand a respectful, safe, secure, and orderly campus. These procedures comply with San Marcos Unified School District Policy, as well as state and federal laws, and are based on timely and consistent consequences for conduct which is disruptive to our campus. This behavior code was developed by staff, students and parents. **The San Marcos Unified School District desires to build responsibility, respect for others, respect for the school, and respect for self.**

DEFINITION OF SCHOOL CONSEQUENCES

Detention

A student may be held in a detention room or classroom before school, during lunch or after school. A student receives detention for choosing to violate school rules.

In School Suspension (ISS)

This consequence can be in lieu of a suspension at home or for less severe infractions than an out of school suspension requires. Students are removed from their regular classes and receive regularly scheduled assignments. Students will have access to their academic coursework during this consequence. If a behavior problem occurs in ISS, a home suspension may result.

Suspension/Expulsion

Suspension or Expulsion will be imposed only when other means of correction fail to bring about proper conduct. However, any student, including students with exceptional needs may be suspended—and possibly expelled—for any of the reasons specified in California Education Code sections 48900 and 48915(a), or if the school determines that the student's presence causes a danger to persons or property or threatens to disrupt the instructional process. A suspension removes a student from campus from one to five days, after which time the student may return. Expulsion, by contrast, is a formal process that entails suspension and a hearing at the District Office to determine if a student will be dismissed from their current educational setting. Students who have been expelled by the Governing Board may not attend any school or program operated by the San Marcos Unified School District until the Governing Board acts to lift the Expulsion. The duration of an Expulsion is the rest of the current semester and the following semester.

Daily/Weekly Performance Agreements

Any student who fails to comply with school and classroom expectations, after teacher and administrative interventions, may be placed on a Daily/Weekly Performance Agreement. Criteria for placing students on performance agreements will be based upon the significance of the violations and/or the number of violations. Any student receiving multiple referrals in a given year may be placed on a performance agreement. Violation of the agreement may result in other consequences.

Suspensions

When a student is suspended from school, he/she has violated CA Education Code 48900. The following infraction descriptions are how the suspensions are decided. All cases recommended for expulsion will be investigated and determined on specific facts.

➤ Behavior: FIGHTING (48900 Section A)

Students are expected to seek non-violent and constructive solutions to conflict.

Caused, attempted to cause, or threatened to cause physical injury to another person or aiding and abetting in commission of physical injury. Mutual combat fighting means two or more students are both actively involved or engaged in a fight. For example, if an aggressor hits another student, and the "victim" strikes back and becomes engaged in a fight with the aggressor, this is considered mutual combat. Battery is when an aggressor strikes another student and the "victim" does not fight back or when a student willfully used force or violence upon the person. If two students are actively engaged in a fight, but one stops fighting or is unable to fight back, and the second student continues to beat him/her, then this incident has turned into a battery.

Consequences: Students involved in fighting for the first time within a three-year period while enrolled in middle school may be suspended for a period of five days. Additionally, students may be subject to arrest. Mediation and anger management counseling may be required as a condition of returning to school. Consequences for a second fighting offense while enrolled in middle school: The student may be referred to alternative education for the remainder of the semester of the occurrence plus an additional semester. Students who commit an assault, battery or cause severe injury are subject to arrest and/or referral to the Governing Board for Expulsion.

➤ **Behavior: DANGEROUS OBJECTS** (48900 Section B)

Students are expected to maintain a safe environment in the school free of weapons and/or dangerous objects. Possessed, sold or otherwise furnished any firearm, knife, explosive, or other dangerous object unless, in the case of possession of any such object of this type, the student had obtained written permission to possess the item from a certificated school employee, with concurrence by the Principal or the designee of the Principal.

Definition: Students may not possess any dangerous object, which constitutes a potential threat to the safety and security of the school. Students are hereby informed not to bring any of the following items to campus or any school-related activity (to include but not limited to): gun, BB gun, cap gun, dart gun, pellet gun, spot marker gun, stun gun, model gun, toy gun, squirt gun, replica gun, “zip gun”, rifle, model rifle, pistol, revolver, taser, semi-automatic weapon, model semiautomatic weapon, toy semiautomatic weapon, knife, locking blade, switchblade knife, butterfly knife, pocket knife, Swiss Army knife, pen knife, keychain knife, kitchen knife, box knife, exacto-knife, dirk, dagger, ice pick, razor, blades, bombs, pipe bomb, ammunition, time bomb, containers of inflammable fluids, stink bombs that may cause allergic reactions, clubs, Billy-club, blackjack, slingshot, nunchaku, sandclub, sandbag, metal knuckles. Any metal plate with radiating points with one or more sharp edges, spike jewelry and apparel, safety pins as decoration or apparel, chains (including wallet chains), pepper spray or mace, anything that expels a projectile by force of air or explosion, fireworks or any incendiary devices, lighters, pressurized cartridges, laser pointers, using or flashing of laser pointers, and replica weapons.

Consequences: Consequences for students that bring dangerous objects to school will range from detention to a five day suspension from school. In addition, law enforcement may be contacted. Mediation or counseling may also be required.

➤ **Behavior: CONTROLLED SUBSTANCES** (48900 Section C & D)

Students are expected to be drug, alcohol and weapon free. Students may not possess, use, sell, be under the influence of, or furnish any amount of controlled substance, alcohol, or intoxicant of any kind. These include, but are not limited to alcoholic beverages, narcotics, marijuana, methamphetamines, inhalants, hallucinogens, abused use of prescription drugs or over-the-counter medication including cough medicine. All prescription and over-the-counter medication must remain in the possession of the school nurse. In addition, students may not offer, arrange or negotiate to sell any of the above and then furnish a substitute item intended to represent the controlled substance, alcoholic beverages, or intoxicant.

Consequences: Students found in possession of, or use alcohol, marijuana, intoxicants or any controlled substance, while under the school’s jurisdiction may be suspended for up to five days. Upon returning to school after the suspension, the student and parent/guardian may sign “A Return to School Drug/Alcohol Agreement” and the student may be placed in a school counseling group. If the student has committed a previous alcohol, marijuana, intoxicant, or controlled substance infraction, or if the student commits another controlled substance infraction, he/she may be referred to the Governing Board for mandatory Expulsion. Students who are in possession of more than

an ounce of marijuana may be suspended for up to five days and may be referred to the Governing Board for Expulsion on the first offense, and law enforcement may be contacted. False Representation: Students who provide other persons with an item intended to represent any alcohol, intoxicant, marijuana, or controlled substance product may receive the same consequences as someone who furnishes a controlled substance/intoxicant.

➤ **Behavior: ROBBERY** (48900 Section E)

Students are expected to respect the property of others. Students may not commit or attempt to commit robbery or extortion. This includes the theft of any property not belonging to a student or any attempt made to force or create fear in others while attempting to or stealing property belonging to someone else.

Consequences: The consequences for robbery or extortion may range from suspension to referral to the Governing Board for Expulsion. The student and/or parent/guardian may be responsible for returning the stolen property or for full payment of the property. In addition, law enforcement will be contacted. Appropriate intervention counseling or campus projects may be part of this process. **Video surveillance may be used to protect some vulnerable or high-risk areas on campus.**

➤ **Behavior: DAMAGE TO PROPERTY** (48900 Section F)

Students are expected to respect the property of others.

Consequences: The consequences for attempting to cause or causing damage to other's property will range from suspension to referral to the Governing Board for Expulsion. The student and/or parent/guardian will be responsible for payment for the damage. In addition, law enforcement may be contacted. Appropriate counseling or campus projects may be part of this process, as well as campus beautification. **Video surveillance may be used to protect some vulnerable or high-risk areas.**

➤ **Behavior: THEFT** (48900 Section G)

Students are expected to respect the property of others.

Consequences: The consequences for theft may range from suspension and arrest to referral to the Governing Board for Expulsion. Theft of electronic devices may result in suspension and may result in arrest. The student and/or parent/guardian will be responsible for returning the stolen property or for full payment of the property. In addition, law enforcement may be contacted. Appropriate counseling or campus projects may be part of this process, as well as campus beautification. **Video surveillance may be used to protect some vulnerable or high-risk areas on campus.**

➤ **Behavior: TOBACCO** (48900 Section H)

Students are expected to live healthy lifestyles. Students may not possess or use tobacco, or any products containing tobacco or nicotine products, including, but are not limited to, cigarettes, cigars, clove cigarettes, smokeless tobacco, snuff, chew packets, and betel.

Consequences: Students found in possession or who use tobacco, or products containing tobacco or nicotine may receive the following consequences: First offense within a three-year period while enrolled at a SMUSD Middle School: the student may be suspended for a maximum of five days and/or referred to a school counseling program.

Consequences for a second offense: The student will be suspended for five days. In addition, law enforcement will be contacted with any tobacco referral.

➤ **Behavior: OBSCENITY, PROFANITY & VULGARITY** (48900 Section I)

Students are expected to treat all members of the school community with respect and to practice responsible and honest behavior. Students may not engage in obscene acts or engage in habitual profanity or vulgarity, which includes: writing, speaking, gesturing or acting in contempt of sacred or holy things, or using foul or coarse language.

Consequences: The consequences for engaging in obscene acts or habitual profanity or vulgarity may range from Detention to referral to the Governing Board for Expulsion. Appropriate counseling or campus projects may be part of this process.

➤ **Behavior: PARAPHERNALIA** (48900 Section J)

Students are expected to live healthy lifestyles and to be drug and alcohol free. Students may not possess, offer, arrange, or negotiate to sell any drug paraphernalia as defined in Section 11014.5 of the Health and Safety Code. Examples of paraphernalia include, but are not limited to, pipes, bongs, roach clips, rolling papers, electronic vaping devices, and any other devices used in conjunction with illicit substances.

Consequences: Students who possess, offer, arrange, or negotiate to sell drug paraphernalia will receive consequences ranging from a five day suspension to referral to the Governing Board for Expulsion. A second offense may result in a referral to the Governing Board for Expulsion. In addition, law enforcement may be contacted. Appropriate counseling may be part of this process.

➤ **Behavior: DEFIANCE AND DISRUPTION** (48900 Section K)

Students are expected to follow all school rules and respect the authority and direction of school staff; to behave in a safe and orderly manner; to maintain a safe environment in the school; and to treat all members of the school community with respect. Students may not be defiant, disruptive, disrespectful, or deceptive (refuse to provide name or ID card). These behaviors negatively impact the orderly operations of the classroom or general educational environment of the school.

Consequences: Students who defy the directions of a school employee or disrupt the orderly operation of any school related activity may receive consequences ranging from ALC through referral to the Governing Board for Expulsion. In addition, students who run from or attempt to evade a school official may be referred to alternative education on the first offense. In addition, law enforcement may be contacted. Appropriate counseling may be part of this process.

➤ **Behavior: RECEIVING STOLEN PROPERTY** (48900 Section L)

Students are expected to respect the property of others.

Consequences: Possession or receipt of stolen property is considered a felony. Students who knowingly receive stolen property may be suspended and may be referred to the Governing Board for Expulsion. In addition, law enforcement may be contacted. Appropriate counseling may be part of this process.

➤ **Behavior: POSSESSED AN IMITATION FIREARM** (48900 Section M)

Students are expected to maintain a safe environment in the school and to be weapon free. As used in this section, “imitation firearm” means a replica of a firearm that is substantially similar in physical properties to an existing firearm and leads a reasonable person to conclude that the replica is a firearm. This includes pellet guns, BB guns, and other “toy” guns which may be mistaken for a real firearm. Also this includes replica ammunition that could be mistaken for actual ammunition.

Consequences: Consequences will range from detention to suspension. In addition, law enforcement may be contacted. Appropriate counseling may be part of this process.

➤ **Behavior: COMMIT OR ATTEMPT TO COMMIT SEXUAL ASSAULT OR SEXUAL BATTERY** (48900 Section N) Students are expected to treat all members of the school community with respect. As used in this section, sexual assault includes any sexual acts performed against the victim’s will by means of force, violence, threats, or duress, or fear of immediate and unlawful bodily injury on the victim. As used in this section, sexual battery means intentionally touching the breasts, buttocks, or groin area of another person without his/her consent.

Consequences: Students may receive suspension and referral to the Governing Board for Expulsion on the first offense. In addition, law enforcement may be contacted. This is a mandatory Expulsion (Education Code 48915 c).

➤ **Behavior: HARASSED, THREATENED, OR INTIMIDATED A PUPIL WHO IS A WITNESS** (48900 Section O) Students are expected to treat all members of the school community with respect.

Harassed, threatened, or intimidated a pupil who is a complaining witness or witness in a school disciplinary proceeding for the purpose of either preventing that pupil from being a witness or retaliating against that pupil for being a witness, or both.
