Hello SEMS Families,

Second Semester Student Schedules

Student schedules for Second Semester are now available to view on StudentVUE or/and ParentVUE. Some helpful tips:

1. You will be able to see both Quarter 3 and Quarter 4.
2. All classes have an 'A' or 'B' that signifies what cohort your student is in and what days they will attend in-person classes.
3. Students staying virtual all year will see the 'LEVS' designation. Those students will also receive communication from the LEVS administrator tonight.
4. If you have any questions or see any discrepancies, please contact your counselor.
 - Student last name A-F: Ms. Breining at celena.breining@smusd.org
 - Student last name G-M: Mr. Vega at nicholas.vega@smusd.org
 - Student last name N-Z: Ms. O'Connor at caroline.o'connor@smusd.org

I understand that there is anxiety with any possible reopening plans. Please know that I do not make any decisions regarding when our school reopens. This new schedule will provide the flexibility to be used while we remain in distance learning, if we come back to a hybrid in-person learning, or have to toggle back-and-forth during the next semester.

Monday Holiday: Dr. Martin Luther King, Jr. Day

Lastly, there is no school on Monday in observance of the contributions of Dr. Martin Luther King, Jr.

Please enjoy the three-day weekend.
Take care everybody.
