We Build Confidence!

Serving Grades K-12

ACE Programs Fill in Gaps Acquired from Distance Learning!

This Summer, Boost Academic Core Skills!

ACE Reading™ improves critical reading, vocabulary, & comprehension skills.

ACE Writing™ improves grammar and English composition skills.

ACE Math™ fills in math skill gaps and boosts children's confidence.

ACE Study Skills 101™ teaches key study & organizational skills.

Get a Head Start for the Next School Year!

SUMMER CAMP

Elementary School Readiness (K-5) - This program focuses on basic skills for young children and will boost skills including phonics, sight-words, reading, writing and math.

Middle School Readiness Program - We can focus on any or all areas that your child needs a boost including math, reading, writing, and study skills. We specialize in Common Core math skills to give your child a "jump start" on next year's math class.

ACE Bridge Courses™ - Our Middle School and High School Bridge programs for all Math, Science and Spanish Classes will help your student earn and maintain a higher GPA with less stress.

Study/Organization Skills - Our Study Skills 101 program will benefit any student entering 6th through 12th grade. They will learn key skills including test taking skills, study skills, note taking skills, organization skills, critical thinking, and stress management techniques.

SAT/ACT Test Prep - We have an advanced program to prepare students for upcoming exams. No groups or classes. Flexible Scheduling. Summer is the best time to prepare incoming 10th and 11th graders!

SCHEDULE A **FREE CONSULTATION** TO DETERMINE THE IDEAL PROGRAM FOR YOUR CHILD.
